

GUIDANCE FOR VEGANS

The list contains Aldi own label products that are suitable for vegan diets. This list is based on products that do not contain ingredients derived or produced from animals. The products listed are therefore suitable for people who do not eat any meat, poultry, fish, shellfish, milk, milk products, eggs and honey. Controls are in place to minimise the risk of cross contamination with animal products. This information is to be used as a guide only; whilst every effort has been taken to complete the list accurately the products may be subject to subsequent changes in allergen information, recipe or supplier. Aldi do not accept liability for the consequences of such changes and advise customers to always check the ingredient list and allergen information on pack on all food and drink at the time of purchase to ensure the product is suitable for your dietary requirements.
